Convertisseur PDF

Objectif

Concevoir un script permettant de générer un site web à partir de fichiers PDFs et d'audios.

Temps imparti: 2 semaines

Bénéfices

Assimilation des bases de la conception de scripts Bash. Découverte des documentations.

```
ACTION="$1"
case "$ACTION" in
    -h)
        usage
    -f)
        SOURCE="$2"
        if test -f "$SOURCE"; then
